PEARLS

SUSPENSION

TYPE:
PROJECT NAME:

Description

Inspired by the pearl necklaces associated with European royals. Pearls brings light into a story – a tribute to feminine elegance, courage, and timeless presence. This fixture is rated IP67 and is thus protected from rain allowing for outdoor installation.

Light Source

Flexible LED tube, 360° emission, 3000K, dimmable

Materials

Silicone tube with blown glass diffuser balls

Dimensions

- Pearls 1: 1m (39.37") length, with 11 x 9cm (3.54") spheres
Pearls 2: 1m (39.37") length, with 14 x 7cm (2.75") spheres
Pearls 3: 2.5m (98.42") length, with 28 x 9cm (3.54") spheres
Pearls 4: 2.5m (98.42") length, with 38 x 7cm (2.75") spheres
Pearls 5: 5m (196.85") length, with 56 x 9cm (3.54") spheres
Pearls 6: 5m (196.85") length, with 75 x 9cm (3.54") spheres

Finish Options

Standard finish for the blown glass spheres is Opal White.
On request, additional finishes for the spheres are available: sandblasted glass, matte white, solid walnut wood, solid brass, and solid stainless steel. These additional finishes can replace individual spheres in the fixture. Please inquire for more details.
