• technical data

Only an ancient history of craftsmanship of thousands of years can produce a so innovative result.

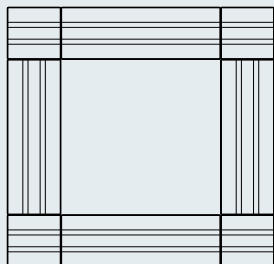

The tradition of Murano glass lives on in the Tessuti collection. Series of handmade glass hooks weave a web with a material strength, which plays with the perception and catch the eye, thanks to its magnificence. The collection is available in more colors, also matchable and each installation can be placed on standard or special metal frames on specific demand of the customers. Tessuti is the result of the work of expert glassmakers and of the unique style of the Evi Style brand. Dedicated to the most refined furniture as domestic and contract.

Frame: metal nickel satinized.

Diffuser: handmade glass in these colors: transparent crystal, smoke-grey, amber and white polished finish.
