

MATHILDA 5

TABLE LAMP

TYPE:

PROJECT NAME:

Mathilda is a tribute to feminine strength: a lamp that not only illuminates, but inspires. An object that reminds us that even the simplest and most discreet forms can carry within them the complexity of a rich and powerful story. Five, the base number, is a symbol of dynamic balance and transformation. The shapes evoke the strength of mathematics and geometry, while the ceramic material recalls warmth and human fragility.
