Color	☐ White	☐ Black	☐ Gold
Material	Steel and aluminium		
Use	Indoor		
Light source	Led		
Watt	25 W		
Volt	24 V		
Lumen	2361		
Cri	80		
Kelvin	2700		
Emergency	No		
Cable	Black fabric 200 cm / 78.74"		
Dimmer	4 intensities of light		
Gross weight	8 kg		
Net weight	6 kg		
Packaging size	188 × 40 × 65 cm 74.02" × 15.75" × 25.6"		
Number of packages	1		
IP	20		
Class	II		
Energy class	-		

It is a system composed by the reading, floor, suspension, wall versions and compositions. Inspired by the large Cono, the system is characterized by one among the oldest figures and covers multiple functions. All versions are equipped with LED. The floor and reading versions are equipped with adjust-able LED boards with 4 emission and light levels and have the regulator incorporated in the stem. The suspension and wall versions are dimmable and require the installation of wall dimmers for their adjustment. On request for the suspension version is possible to create different compositions with several elements.
