Net weight	5,7 kg
Packaging size	52,5 × 27,5 × 32,5 cm 20.7" × 10.83" × 12.8"
Number of packages	1
IP	20
Class	II
Energy class	-

Trilite is a micro architecture for the room. Often today architecture is conceived as urban and pushy maxi objects. Trilite is just the opposite: a small architecture for an eclectic and discontinuous home landscape, a small portal of light that discreetly illuminates. The base is made of valuable marble, the portal is polished red lacquer while the light is spread by a thin aluminum tile. For minimal lovers it is available also in white.
