Lumen	–
Cri	–
Kelvin	–
Emergency	–
Cable	Black fabric 200 cm / 78.74"
Dimmer	–
Gross weight	4,8 + 1,3 kg
Net weight	3,4 + 0,6 kg
Packaging size	43 × 43 × 21 cm + 26 × 26 × 27 cm 16.93" × 16.93" × 8.27" + 10.24" × 10.24" × 10.63"
Number of packages	3
IP	20
Class	II
Energy class	–

Twins is a light sculpture reminding us that the world is often divided in two: good and evil, east and west, left and right, striker and defenders. The light itself can be on top or at the bottom, switched on or off, but this duality can become an overall synthesis when elements merge into a single entity, like in the spheres that make up this lamp.
